### ► Reality Trigger

Your GM may trigger this at any time.

Work Phone: You have a smartphone specifically dedicated to your Vocation. The GM can use Reality Trigger to have one of your Relationships call this phone at any time. If you ignore it, that Relationship loses 1 Connection.

### ► Burnout Release

Check this to see if you can cancel your burnout.

When you are doing something that benefits your Vocation directly or indirectly, ignore all Burnout.

### ► Prime Directive

Receive 1 Demerit if you:

Tell a lie

### ► Sanctioned Behaviors

Receive 1 Commendation when you do one of these:

▷ Create a distraction

▷ Give a great excuse

▷ Ensure they will never speak of this again

If you do all 3 in a single mission, receive 3 bonus commendations.

# Welcome, Agent!

Please answer the following questions as truthfully as possible so the Agency and your coworkers can learn more about you.

## 1 How did you come in contact with your Anomaly?

I was brought in after I choked on a meatball that started growing inside my throat. When I came to, I was in orientation at the Agency!

## 2 How did the Agency find you?

I'm not sure. They must have followed me to the restaurant.

## 3 Do your powers have a unique visual manifestation?

It's unique alright. When's the last time you saw an arm come out of somebody's stomach?

## 4 How do you take your coffee?

Two cream, two sugars

## 5 Please describe your prior work experience.

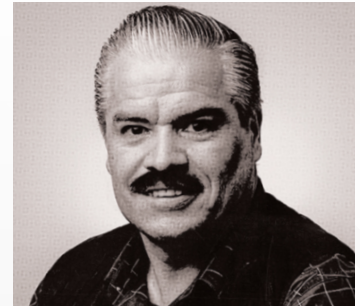

I'm currently still in my position as a horse trader at The Safe Bet, by the tracks. Before that, I was a shoeshiner, a busker, and most recently a carnival barker.

## 6 What is your level of familiarity with Adobe, Excel, and Google Suite?

I don't really like computers

## 7 What do you bring to the table in a collaborative work environment?

I've got a great eye for talent. I keep it hidden in my sideburns.
