 _____ **Commendations**

 _____ **Demerits**

 _____ **Additional Burnout**

► Reality Trigger

Your GM may trigger this at any time.

The GM can use the Chaos Effect: Reality Trigger to have someone recognize you and become desperate for your attention. If you ignore them, or do something else in public that damages your reputation, word inevitably gets out. If that happens four times, you must choose a new Reality.

► Burnout Release

Check this to see if you can cancel your burnout.

When you are doing something that will directly or indirectly contribute to your personal fame, ignore all Burnout.

► Prime Directive

Receive 1 Demerit if you:

Touch something living

► Sanctioned Behaviors

Receive 1 Commendation when you do one of these:

▷ Dig up some dirt

▷ Clean up a mess

▷ Bury a problem

If you do all 3 in a single mission, receive 3 bonus commendations.

Welcome, Agent!

Please answer the following questions as truthfully as possible so the Agency and your coworkers can learn more about you.

1 How did you come in contact with your Anomaly?

This is going to sound shady but I don't remember.

One day I was approached by Agents who told me my ability to schedule my day was actually anomalous.

2 How did the Agency find you?

They made an appointment. I thought it was a press thing. I was mad because I had to cancel an appearance but then they ended up giving me this job!

3 Do your powers have a unique visual manifestation?

Now that I've been trained I notice a sort of fog that emanates from any clock I'm looking at.

4 How do you take your coffee?

I enjoy a turmeric latte.

5 Please describe your prior work experience.

I used to work as a personal trainer and life coach -- I was incredibly successful. You probably know somebody who watches my videos, if you don't, yourself.

6 What is your level of familiarity with Adobe, Excel, and Google Suite?

I built my own business; I can do it all! And if I can't I ask my sister.

7 What do you bring to the table in a collaborative work environment?

I'm great at figuring out what motivates people.

Initial Requisition: Dracula's Coffin

You can exhume the coffin once per mission to place something inside that can fit.

When the coffin is returned to the earth, whatever you placed inside never existed.
