 _____ **Commendations**

 _____ **Demerits**

 _____ **Additional Burnout**

► Reality Trigger

Your GM may trigger this at any time.

The GM can use Chaos Effect: Reality Trigger to have you notice A Vibe. This Vibe might be genuine or entirely imagined. If you refuse to shoot your shot, you dwell on the missed connection and struggle to be present: one of your Relationships, chosen by your fellow Agents, loses 1 Connection.

► Burnout Release

Check this to see if you can cancel your burnout.

Whenever you're doing something that will make you look attractive or impressive to someone you are interested in, ignore all Burnout.

► Prime Directive

Receive 1 Demerit if you:

Deny a request

► Sanctioned Behaviors

Receive 1 Commendation when you do one of these:

▷ Confidently fail

▷ Embarrass yourself for another's benefit

▷ Bring something, screeching, to a halt

If you do all 3 in a single mission, receive 3 bonus commendations.

Welcome, Agent!

Please answer the following questions as truthfully as possible so the Agency and your coworkers can learn more about you.

1 How did you come in contact with your Anomaly?

I was practicing for a marksmanship competition at my high school when, at one point, my rifle exploded in a flash of light. Been with me ever since I came to.

2 How did the Agency find you?

I applied for a job after I dropped out of college and moved back to my hometown.

3 Do your powers have a unique visual manifestation?

Yes: I use an instant film camera to channel my power. Anyone who comes after me is gone in a flash.

4 How do you take your coffee?

As cold as possible. One time I had coffee ice cubes and I was in heaven.

5 Please describe your prior work experience.

This and that.

6 What is your level of familiarity with Adobe, Excel, and Google Suite?

Yeah I can do all of that.

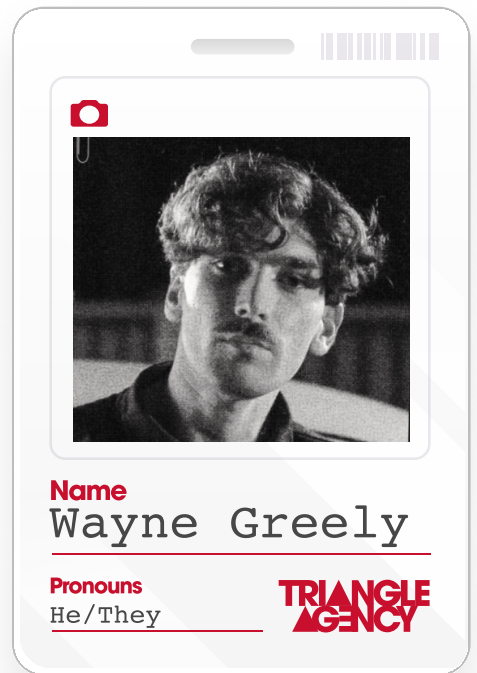

7 What do you bring to the table in a collaborative work environment?

I'm easygoing and I have a well-trained eye. Nobody's gonna surprise us while I'm on the case.

Initial Requisition: Inherited Nametag

Once per mission, you may write the name of someone you met today on the nametag.

Everyone except other Agents will treat you as the named person while the nametag is on.
